

Parents and Students,

This email is for any student grades 6<sup>th</sup>- 8<sup>th</sup> who is interested in being a class officer or student body officer for the 2020-2021 school year. We had sent home an information packet with those students who were interested last week. The original due date was Tuesday, March 17<sup>th</sup>. With school closing we are making some adjustments to the plan for elections. We will now accept the signed constitution acknowledgement form (attached to this email) until Tuesday, March 24<sup>th</sup>. The form can be submitted online as a scan or picture sent to my email (found below). This will allow us to have the required information so that we can resume the election process once we are back in school. At this time, all other dates are subject to change.

The information paper that was sent home still has correct information as far as rules and expectations, but the dates can be disregarded. Once we have papers submitted this Friday, I will keep those students who are running for office updated on new dates and the overall election plan.

The other attachment is the Student Government Constitution, which lists all of the requirements and expectations for candidates running for Highmark student office. Please read through it prior to submitting the acknowledgement form.

If you have questions or concerns, feel free to contact me directly at [tanderson@hmcharterschool.org](mailto:tanderson@hmcharterschool.org).

Thanks,

Mrs. Anderson

Student Government Advisor

Highmark Charter School
